

Product Comparison Table

All ERGObaby Carrier models offer three ergonomic, easy-to-use carry positions - front, hip and back, and are suitable from birth up to age 3 or 4 years old (max. weight limit 18kgs). The carrier models only differ in minor design features and fabric content, as listed below:

ERGObaby Standard

Fabric

100% cotton canvas outer layer with 100% cotton poplin lining, including 100% cotton batting.

Shaped darts help create an accentuated pouch to hold baby.

Sleeping Hood

The Sleeping Hood is permanently attached and can be tucked into front pocket.

Waistbelt

Padded waist belt adjusts from 64cm to 109cm, with a 5cm wide buckle and elastic safety loop.

Shoulder Straps

Curved straps offer premium ergonomic weight distribution.

Back Pocket

The back pocket is closed at the top and features a side zipper closure and a small pocket for storage of the Sleeping Hood.

ERGObaby Sport

Fabric

The outer layer features a 35% cotton and 65% polyester fabric blend. It is both a lighter (20%) and cooler fabric, drawing moisture away from the body. Added front vent provides additional breathability.

Sleeping Hood

The Sleeping Hood is completely detachable and can be stored in the built-in pocket.

Waistbelt

Padded waist belt extends an additional 13cm, adjusting from 76cm to 122cm with a 5cm wide buckle and elastic safety loop.

Shoulder Straps

Designed to fit taller and larger people, the curved straps extend an extra 10cm, providing a comfortable fit for wearers of all sizes.

Back Pocket

The standard zipped pocket has been replaced with a pocket with snaps for Sleeping Hood storage.
